Enrollment

Members will be provided a Free Spirit number upon establishing membership in the Program.

There are three membership levels in the program. Upon enrollment, participants will be considered base level members. The Silver and Gold status levels can be attained based on a member's Spirit purchases and other purchases charged to eligible Free Spirit Credit Card. Specific terms for status qualification and the associated benefits for the Free Spirit Status levels are explained later in these terms and conditions.

Members may view account activity and statements by logging into their account on spirit.com.

Spirit will attempt to, but is not obligated to, email statements and Free Spirit program information to any member electing to receive these statements via e-mail, provided, that Spirit is not responsible for any lost, misdirected, bounced, or late delivery of any email sent by Spirit.

Spirit has the right to stop emailing statements to any member who fails to keep their email address up to date resulting in the delivery failure of emails from Spirit.

Points shall generally remain in a member's Free Spirit account until they are redeemed for reward travel or until they expire, whichever occurs first.

Violations of the Free Spirit rules may impact a member's Free Spirit Points account balance.

Membership is non-transferable. Points credit and Reward Tickets are also non-transferable. Points cannot be transferred from one Free Spirit account to another (other than with respect to duplicate accounts as described below). Free Spirit points cannot be sold, gifted, pledged, attached, or seized. Free Spirit accrued points and Reward Tickets do not constitute property of the member. Neither accrued

points, nor Reward Tickets are transferable by the member (1) as part of a domestic relations matter, (2) upon death, or (3) by otherwise based on the operation of law.

Except as noted below, the Program is available to any individual with a mailing address in the United States or in any country that has not prohibited participation in frequent flyer programs. Children under the age of 13 can only become members of the Program with parental consent.

Membership will not be extended to corporations or any other legal entities.

Members must enroll as individuals and each Member may have only one (1) Free Spirit account. Each Member must provide their legal name, Date of Birth, mailing address, email address matching the Member's passport or other valid travel document. To receive points credit, the name on the ticket must match the exact name on the member's account.

Spirit will not be able to make a name change to any Free Spirit account without adequate supporting legal documentation to be provided by member and approved and accepted at the sole discretion of Spirit.

Earning Free Spirit Points

Free Spirit Points will be awarded based on membership status at the time of posting. Points from flights will be credited to accounts as expeditiously as possible and may take up to ten (10) calendar days to be posted to a member's account. Points resulting from purchases made with the Free Spirit credit card, bonus points, and partner points may take up to eight (8) weeks to post to a member's account. Spirit will make all reasonable attempts to keep accurate points records, but members should retain boarding passes and ticket information in the event this information is needed to prove earned points credit.

Members may earn points only in the following ways: (1) purchasing and completing a flight operated by Spirit; (2) purchasing and completing a Spirit Vacations package; (3) using one of the Free Spirit credit cards for everyday purchases; and/or (4) through special offers and/or programs with Free Spirit partners as described below.

In addition to the points earned based on the fare option selected, points will be earned on ancillary fees associated with the booking, including bags, seat selections and other services associated with the Spirit flight as described below. Points will be earned on the base fare of the flight only. Points will not be earned on government taxes/fees, travel insurance or other carrier fees or third-party charges. Points will be earned based on the eligible amount spent on an individual flight. A member will not earn points for amounts spent on another traveler's flight, even if such traveler is on the same booking and/or you paid for the flight. If members are travelling together, each member's Free Spirit account information (name and Free Spirit number) must be entered on the booking for every member to earn Free Spirit Points on the individual Spirit flight.

If Free Spirit members are traveling together, each member's Free Spirit account information (name and Free Spirit number) must be entered on the booking for every member to earn Free Spirit Points on the individual Spirit flight.

3. Purchasing vacation packages: All Free Spirit members, regardless of status level, will earn points for the air portion of their vacation package. Points will be earned for the fare based on the amount spent at the Status levels described above. In addition, members may earn nonSQP (Status Qualifying) points on non-flight portion of the package at the rate indicated during specific promotional periods. The member must be a passenger on the booking (PNR) and marked as boarded on the flight. Package fares purchased by the member where the member is not traveling will not earn points. Points will not be earned for amounts spent on any other traveler's vacations package, even if such traveler is on the same booking and/or was paid for by a single member. If Free Spirit members are travelling together, each member's Free Spirit account information (name and Free Spirit number) must be entered in the booking for every member to earn Free Spirit Points on the individual per-person portion of the Spirit vacations package. The points earned for the fare spending will be considered SQPs (Status Qualifying Points) while the points earned for the other travel package products will not earn SQP's. Standalone package inventory (e.g., hotel, car, or attraction tickets, etc.) purchased separately from air are not eligible for points earn unless otherwise noted.

4. By using one of Spirit' co-branded credit cards, Members may earn the following Points:

The number of points offered is subject to Spirit' sole discretion. All special offers involving points, or the program are subject to these program rules. In addition to these program rules, Free Spirit's partners may have special terms and conditions that provide additional rules for the earning, transferring, accumulating, and redeeming of points. Partners

are independent entities and are not agents, employees, or subcontractors of Spirit, and Spirit is not responsible for their acts or omissions (including, without limitation, their solicitation efforts) or any products or services supplied by them (including, without limitation, the nature or quality of their products or services).

- Retroactively, at spirit.com pursuant to the following:

Points will only be rewarded to the person who flies and who is named on the Free Spirit account regardless of who pays for ticket. Only published fares on Spirit qualify for points credit. Partner programs that offer Free Spirit Points may have their own privacy policies, terms and conditions, and/or other rules of program governance. The rules of the Free Spirit program and the rules of any partner program apply to Free Spirit members earning points through these additional partner program points earning opportunities, and we encourage you to review them periodically.

The activities and/or transactions eligible for earning points, and/or the amount of points available to be accrued, are subject to change by Spirit, at any time, without notice or liability.

Any claim for un-credited points must be received by Spirit within twelve (12) months (365 days) after the points were earned from a qualifying Spirit flight (i.e., a flight operated by Spirit) or a Spirit vacations package. Purchases made up to (30) days prior to the opening of a new Free Spirit account are eligible, upon a member's request, for retro-credit. The member is responsible for ensuring that points earned are properly credited to the Free Spirit account. If you believe that points have been earned but not properly credited, you may be required to submit documentation or other proof satisfactory to Spirit, which may include, without limitation, copies of boarding passes and receipts.

Except for retroactive point requests for points earned from eligible Spirit flights (i.e., flights operated by Spirit) and Spirit Vacations packages as set forth above, no retroactive point requests will be granted. Members must provide their Free Spirit account number at the time of the activity or purchase to be eligible for points and engage in such activity or make such purchase in accordance with all instructions, rules and restrictions associated with that particular qualifying activity or purchase offer.

Points will not be awarded on unused, cancelled, forfeited, refunded or fraudulent travel bookings or purchases or activities, as determined by Spirit in its sole discretion.

Free Spirit Points Expiration

Points in a Free Spirit member's account do not expire so long as the member generates points activity (either accrual or redemption) at least once every 12 months. Free Spirit Points will expire twelve (12) months from the last accrual or redemption activity on the account, regardless of when the points were originally accrued or set to expire. Free Spirit Credit Card holder's points will not expire if the account is open. Once the Free Spirit credit card account is closed, standard program points expiration rules apply. As set forth in these Program Rules, Spirit has the right to cancel all or some of the points in the Member's account should Spirit determine, in its sole discretion, that the member has violated these program rules or otherwise engaged in fraud, misrepresentation, abuse, or other improper conduct.

Free Spirit Point Redemption and Reward Travel

You may redeem points for the base fare of a Spirit operated and marketed flight ("Reward Ticket.") Reward Tickets (also could be referred to as an award) are subject to the Spirit Airlines General Terms and Conditions and Contract of Carriage. Spirit also may offer, from time to time and in its sole discretion, opportunities to redeem points for other products or services. Points may not be redeemed for any product or service except as expressly permitted by Spirit. Upon confirming a reward redemption, the appropriate points will automatically be deducted from the member's account and/or Points Pool. Reward Tickets will be issued in the form of an e-ticket.

Reward Tickets have no cash value and are non-refundable. Any tax consequences of a Free Spirit Reward Ticket are the responsibility of the Free Spirit member.

Reward Ticket and Points + Cash reward point levels are based on fare availability and will fluctuate similar to the fares for a given booking change. All Reward Tickets are subject to seat availability. Reward Tickets include a flight reservation only; additional services (including bags, seats, and other add-on travel features) must be purchased separately. Immigration laws in some locations require proof of onward or return travel and as a result, one-way rewards may not be available.

Members will not earn Free Spirit Points nor Status Qualifying Points on reward redemption bookings and the cash fare portion of a completed Points + Cash booking. However, Members will earn Free Spirit Points and Status Qualifying Points on any ancillary products purchased as part of a rewards redemption booking or Points + Cash booking.

Points + Cash is a redemption option that allows members to pay for Spirit-operated flights using a combination of Free Spirit Points and a monetary payment. Points + Cash reward levels can be viewed on spirit.com by selecting the Points + Cash pricing option. Points + Cash redemptions are reward bookings and are subject to all the limitations of reward bookings listed in these Free Spirit Terms and Conditions. Points used towards a Points + Cash booking must be contributed from a single member's account unless the redemption is booked by a member with a Points Pooling account. Spirit reserves the right to change the number of points required for redemption and/or the price of the ticket, or to impose additional restrictions, prior to booking. Rates may vary by origin, destination, flight number, date, fare, or any combination thereof. Accordingly, the number of points and cash values quoted are

valid only at the time of booking. Points + Cash bookings may not be combined with, and are ineligible for, any other promotional or bonus offers. All Points + Cash bookings are subject to the Spirit Airlines General Terms and Conditions, Contract of Carriage, and the fare conditions applicable to that ticket at the time of booking. Other restrictions may apply.

Members can modify or cancel their reward itinerary by calling +1-855-728-3555 in the US or Canada. Modifications will be subject to any fare difference from your original itinerary including any additional points payment. Cancellations and/or modifications must be made online up to one hour prior to the scheduled departure time of your flight. Availability is not guaranteed for modifications. All changes are subject to current reward levels for the available flight(s).

Members will need a credit card at time of booking and are responsible for paying any and all applicable taxes and fees (including, but not limited to: Customs, inspection, immigration, security, agriculture, facility, and departure/arrival charges, any administrative fees, and the September 11th Free Spirit® U.S. Security Fee of up to \$11.20 USD (United States Dollars) roundtrip) and are responsible for obtaining any necessary travel documents for reward travel.

All Reward Tickets are solely redeemable for travel on Spirit and the routes Spirit operates and are only issued for published routings and destinations offered by Spirit. All Reward Tickets must have confirmed reservations on all legs/segments (e.g., no open Reward Tickets will be issued). Stopovers (overnight stays at connecting cities) are not permitted for reward travel.

Flights purchased with a monetary payment may not be exchanged or refunded for payment with points, in whole or in part.

Spirit's [General Terms and Conditions](#) and [Contract of Carriage](#) apply to reward flights, respectively. In the event a member cancels reward travel, points will be re-deposited to the original member's account. Points used to purchase the reward flight will be automatically forfeited if a member does not cancel the scheduled flight prior to the check-in window closing. Reward travel on Spirit is governed by Spirit's [Contract of Carriage](#), a copy of which is available at www.spirit.com, and at all Spirit locations. Please review the [General Terms and Conditions](#) and [Contract of Carriage](#) for travel requirements and restrictions, liability and baggage limitations, and requirements for the travel of minor children.

For domestic and international travel, Guests must present government-issued photo identification. For international travel, please contact the relevant embassy or consulate for details on travel documentation requirements. It is your responsibility to verify your flight information and follow Spirit's recommended check-in times listed on the airport information page. Failure to do so may result in the loss of your seat to another customer and/or denied boarding.

Free Spirit Points Pooling

Points Pooling is a program feature that allows members to combine their points for reward redemptions and Points + Cash reward redemptions. A Points Pool can consist of one (1) primary account holder ("Pool Pilot" or "Pool Leader") and up to eight (8) friends and family who are existing Free Spirit members called participants. The Pool Pilot must be a Free Spirit Silver or Gold member and/or an eligible Free Spirit Credit Card holder. All Free Spirit members are eligible to be pool participants however, a member can only belong to a single Points Pool at a time and will be required to

contribute all their Free Spirit Points to that pool. The Pool Pilot will control the Points Pool and will be the only member able to redeem the pooled points at their discretion, without requiring the permission of the participating pool members. Each point contributed to the pool will remain associated with the member that earned the point but will be available for the Pool Pilot to redeem from the Points Pool. Besides the Pool Pilot, who will always redeem pool points, each member may redeem their own points at any time regardless of the fact they have been contributed to a Points Pool. Reward redemptions from either the Points Pool or the individual's pool participant's accounts will affect the balance of the other account balance. The contributed points will be used for redemption in the order in which they will expire, oldest to newest. The Pool Pilot may add or remove any of the participating pool members at any time. Pool participants can cancel their participation in the Points Pool at any time. The Pool Pilot can cancel the Pool only by contacting guest care. Upon the cancellation of a Points Pool by the Pool Pilot or the departure from a Points Pool by a participant, unused point balances will return to the individual Free Spirit account holder from which they were contributed. When a participant leaves a Points Pool, they are subject to a ninety (90) day period where they are ineligible to rejoin or join another Points Pool. Spirit assumes no responsibility for any decisions made by the Pool Pilot. Any Free Spirit redemption from a Points Pool will be subject to the applicable redemption terms and conditions. Although a Points Pool allows for combined balances for redeeming, point expiration dates are calculated based on a single contributor's accrual and redemption history. If at any time an individual pool participant does not have accrual or redemption activity within the 12-month Free Spirit Points expiration policy, that pool participant's points will expire and no longer be available for redemption by the Pool Pilot or from their individual account.

Free Spirit Status Qualifying Points, Membership Qualification and Benefits

Benefits will only be available to members when they log into their accounts on Spirit.com and add their Free Spirit number to the PNR. Status qualifying points (or SQPs) also referred to as TQP or Tier qualifying points are points that are earned on qualifying spirit purchases and/or purchases made with an eligible Free Spirit Credit card. SQP's can be earned in two ways:

1. Earn 1 SQP for every \$ 1 spent on eligible Spirit fare and/or ancillary service purchases.
2. Earn 1 SQP for every \$ 10 spent on purchases made with eligible Free Spirit Credit cards.

SQPs are non-redeemable and are used solely to measure a member's progress towards Free Spirit Tier Status qualification and earning the associated benefits in a given calendar year. A "calendar year" is defined as between January 1 through December 31 of each year. At the beginning of each calendar year, the Member's SQP balance resets to zero (0) for the purpose of requalification. If a member fails to requalify for either Silver or Gold status, their membership level will be returned to the lower level as of January 1st of the following year.

Free Spirit Status levels and Qualification

There will be two premium Free Spirit membership status levels – Free Spirit Silver Status and Free Spirit Gold Status. Silver Status is earned after the Member earns 2,000 SQP's whereas Gold requires 5,000 SQP's. Members will be elevated to the highest membership level earned per year and will maintain their status through the end of the following calendar year. For example, if a member earns at least 2,000 SQP's in year 1, they will enjoy the benefits of Silver status through December 31st of year two.

Free Spirit Status benefits include:

Accelerated Points Earning – Silver and Gold members will earn Free Spirit Points at a higher rate:

- Silver member points accrual: 8x on fare spend / 16x on ancillary services spend
- Gold member points accrual: 10x on fare spend / 20x on ancillary services spend

Overweight Checked Bag – Silver and Gold members will not be charged a fee when the member checks a bag that is over the weight limit for the first overage level (51-70 lbs.). This benefit is for the first overweight bag only, the member will be charged the normal fees for any additional overweight Free bags. The benefit will only be for the member's travel and will not be extended to any additional guests that are part of the booking (PNR) when booked on Spirit.com. Free Spirit Status members and non-Free Spirit member guests will pay the normal fee for all other overweight checked bags. This benefit does not supersede any airport rules for overweight bags.

Oversized Checked Bag – Silver and Gold members will not be charged a fee when the member checks a bag that is over the size limit (currently 63-80 linear inches). The benefit is for the first oversized level only, the member will be charged the normal fees for any checked bag over 80 linear inches. The benefit will be only for the member's travel and will not be extended to any additional guests that are part of the booking (PNR) only when booked on Spirit.com. Free Spirit Status members and non-Free Spirit guests will pay the normal fee for all oversized checked bags. This benefit does not supersede any airport rules for oversized bags.

Shortcut Security – Silver and Gold members will not be charged a fee when the Shortcut Security option is added to their booking. The benefit will be limited to the status member only and is subject to availability at the departure airport.

Priority Boarding – Free Spirit credit card holders, Silver and Gold members are eligible for boarding on either Group 1 or Group 2, subject to availability, on every booking. If the Silver or Gold member is on the booking (PNR), the benefit will be applied to all the passengers listed on the booking (PNR).

Same-Day Standby Travel – Silver and Gold members will not be charged a fee for listing themselves as a revenue standby passenger for an earlier flight on the same day as their currently booked flight. The new journey must be of the same origin and destination of the originally booked flight. The ranking of the member on the stand-by list will be determined by the program level (Silver or Gold) and the time at which the standby status was requested. When the member uses this benefit, the flight will not be considered a modification and the member will retain their confirmed status on the original flight. If the member is not able to board the standby flight, the member will be permitted to board the original flight. The benefit may only be applied by a Spirit airport agent. When the benefit is applied and seats are available on the new flight, the member may be automatically confirmed on the new flight.

Points Pooling – Silver and Gold members as well as Free Spirit credit card holders are eligible to be a Pool Pilot and open and manage a Points Pool and invite up to eight (8) other Free Spirit members to join the Points Pool. (See the full terms and conditions associated with Points Pooling above.)

Seat Selection Benefits – The member will be permitted to select certain seats based on their status level and available seat group. The benefit will be based on seat group availability at specified stages before the Scheduled Time of Departure (SDT) for an already booked flight. In addition to the seat

selection options listed below, once a seat has been purchased through this benefit, the member will be permitted to move seats to any other seat within the eligible seat group for no cost. The seat selection benefit will be added to the Silver and Gold member's bookings (PNR) automatically. Big Front Seats (Group 1) are not eligible for status member seat selections but may be purchased with the Go Big fare.

- Gold members will be able to choose any available seat with the exception of a Big Front Seat or Go Comfy seat at the time of booking or at any time prior to departure without paying the standard seat selection fee. Limitation of Liability and Choice of Law/Venue

Spirit shall not be held liable for, and you hereby waive any claims against Spirit for, any damages whatsoever (whether direct, indirect, special, punitive, exemplary, incidental, consequential or otherwise, whether stated in contract, tort, strict liability or otherwise, and even if Spirit has been advised of the possibility of such damages) arising out of (a) your participation in the Program (including but not limited to the accrual or use of Points or any travel or travel-related activities in connection with the Program); (b) the acts, omissions, products or services of any person or company rendering services or providing offers in connection with the Program; and/or (c) any failure or delay arising out of use of this website, including, without limitation, error, omission, interruption, defect, delay in transmission, or computer virus. Without limiting the generality of the foregoing, if Spirit improperly denies a Member Points, Reward Travel, or some other benefit, the Member's exclusive remedy shall be the issuance of the improperly denied Points, Reward Travel or such other alternative benefit as determined by Spirit in its sole discretion, and Spirit shall have no additional liability whatsoever. In no event shall Spirit be liable to any Member or anyone claiming through a Member or on a Member's behalf, for any other damages, including but not limited to direct, indirect or consequential damages, or lost revenue or profits, arising out of Spirit's acts or omissions in connection with the Program, whether or not foreseen, even if advised of the possibility thereof. Spirit shall not be liable to you or any other party for damages for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to, weather conditions, pandemics, acts of God, force majeure, strikes, civil commotions, embargoes, and wars or other hostilities, whether actual, threatened or reported, and/or any other cause beyond the reasonable control of Spirit.

These terms and conditions shall be governed by and construed in accordance with the laws of the United States of America and the State of Florida without regard to conflict of law principles or law. All right to trial by jury in any action, proceeding or counterclaim arising out of or in connection with these terms and conditions is irrevocably waived. Any case brought pursuant to these terms and conditions must be brought in a party's individual capacity and not as a plaintiff or class member in any purported

class or representative proceeding. No legal action may be brought by a guest against Spirit or its directors, officers, employees or agents unless commenced within six (6) months from the date of the alleged incident.
